

Dear Parents/Carers,

### **Early Years Transition Questionnaire**

Thank you to everyone who took the time to complete our Early Years Transition Questionnaire.

The resounding message back is that the majority of you are happy with the amount of information you received and feel your child has settled well in Little Bears and Little Lions, which is great to hear. You felt involved and included in the process and found the visits to the school and settling in sessions useful, as well as the home visits and meeting teachers during the summer.

You also highlighted some areas where we can improve, including by offering taster days earlier in the year (Autumn rather than Summer), providing more information on drop-offs and pick-ups, allowing more time for settling sessions to take place, and you have asked for more clarity around the buddy system.

We will incorporate all your feedback as we look ahead to next year. We want this to continue to be a two-way conversation and if you have any further points you would like to make, please do get in touch with us at the earliest opportunity. Our commitment to you is that we will continue to listen and learn from what is working, or what is not, and adapt as necessary.

Your continued support it is the backbone of our school community.

Thanks so much again for taking part.

The Senior Leadership Team  
Loseley Fields Primary School
