

Loseley Fields Newsletter

June 2019

Dear Parents/ Carers,

What a fantastic day that we all had on Saturday when our whole school community came together for our annual fair. There was such a fantastic array of stalls which had been carefully designed to give something to everyone engaging with our school. Of course all of this would not be possible without the participation and support of so many people. The Friends and I would like to say a big thank you to all the parents and children who gave their support of this event. As parents you helped by providing much needed man power on stalls on the day, ongoing support by helping in the organisation of the event and by making valuable contributions to our stalls when requested. As for the children, it was so lovely to see them taking such an active role in the event also. From the conception of our 'enterprise event', the children came alive, thinking of interesting stall ideas, pitching to the dragons and then executing their ideas with precision and attention to detail. They truly created stalls 'by the children, for the children' and this was evidenced in the hoards of children up at the top of the field spending their hard earned pocket money to have a go at their class's winning stall. I am delighted to announce that the fair made an astonishing amount of money for our school. This year's grand total is a massive **£3,939.98** with the children's stall raising a truly impressive

£1,043.56. I personally would like to thank all of the parents who volunteer to run our Friends group; without them none of these amazing events would take place. The money they raise goes straight into the school to provide those little extras that school budgets can't stretch to buy. We are currently purchasing new staging for the school hall with money raised by you. Thank you all so much.

Amanda Pedder

Apprentice Stall Winners!

Winners will be announced to the children in Friday's assembly. There will be one winner for YR,1,2,3 and one winner for Y4,5,6. The winners have been determined by the stalls that raised the most and the children get to use their profit to buy something for their class! WE are going to say thank-you to all children by allowing them to come into school in mufti on the last day of term. A full break down on each stall's profits will come out to parents by parent mail. Thank you all for your support. The children should be very proud of their effort! What little entrepreneurs we have!

Notifications:

- Please be aware that the price of a school dinner will be increasing to £2.35 as of September 2019.
- School uniform for the new school year can be purchased from Ballethoo. Please can I ask all parents ensure that the children come back to school in September in black leather schools. Thank you.

Dates for your diary

9th July - 7pm Y6 production
10th July—7pm Y6 productions
16th July—Y6 Oscar Night
24th July 1pm—End of term
