

# Loseley Fields Newsletter

May 2019

Dear Parents/ Carers,

It has been a very busy half term here at Loseley Fields. I want to take this opportunity to say a massive well done to all the children in Year 2 and Year 6 who have recently undertaken their SATs tests. For the Year 2 children, who were not really aware that they were being assessed, there was a relaxed air to the classrooms with high levels of engagement. Thanks go to the Year 2 teachers for ensuring that, in the eyes of the children, it was just another day at Loseley. Our Year 6 children were outstanding in their attitude. They had been very well prepared by their teachers and showed just the right mix of being comfortable but taking them seriously. I am so very proud of them all.

The school has been a hive of excitement this week as the children have all been participating in Enterprise Week. After an Oscar winning performance showing a 'Dragon Den' style introduction by Mrs Johnstone and myself, all the children have enthusiastically set about designing stalls for our Summer Fair; the task being to design a stall which is both entertaining but which raises the most profit. The children have been learning all about money management and writing persuasive letters to try and get prizes for their stalls for free! The children will be pitching their ideas to us on Friday and the winning stalls announced. The stalls will then be run by the children at the fair and the one raising the most profit will win a year group prize. Please come along to the fair on Saturday 22nd June and support our school.

We continue to work hard to re-vamp our curriculum for next academic year and exciting plans are at foot to ensure that topics are being brought to life and that you have more opportunities to come into school to see the learning that has been taking place. We have secured planning permission for our new state of the art 'Science Lab' and demolition will begin during the Summer holidays. We have forged links with Surrey Wildlife Trust and Primary Science Trust who are supporting us in the development of this area, the curriculum and of thinking innovative ways that this facility could be used by the local community. It is an exciting time for Loseley and we are well on the way to ensuring that our school has something new and wonderful to offer its pupils.

Kind Regards  
Amanda Pedder  
Headteacher

## Dates for your diary

24th May End of Half Term  
3rd June Return to school  
5th June New Parents Evening for YR  
and Y3 parents
