

Loseley Fields Newsletter

September, 2018

Dear Parents/ Carers,

It was an absolute joy to welcome back all our pupils to school this week. Thank you all for taking great care in returning your young ones to us scrubbed and polished for their new term. The standard of the uniform throughout the school was outstanding; all the children look so smart. The children have all settled back in so well and are starting to get to know their new teachers in their new classrooms. The staff all worked really hard over the summer break to set up their new classrooms after the big move around at the end of the last term. They have done an amazing job and the classrooms are all beautifully organised learning environments which is so important in supporting the children with their learning. A special thank you goes to our wonderful caretaker who has worked tirelessly to get the school ready for September.

Some of you may have also seen that some building work has taken place over the summer break. The Solar Centre classroom and toilets have been refitted and we are hoping that their terrace area and fencing will be completed very shortly. New ramps have also been built leading up to the Year 4 and Year 5 blocks.

The new morning routine is working very well and many parents have said that the playground feels so much calmer which is really pleasing. A reminder please that only the very oldest children should walk to school by themselves. Please ensure that children are walked to their classroom doors so that you know that they have arrived safely.

Thank you to all of you who returned the reply slips from your child's end of year report. It is really important to us to gather the views of our parents and respond to feedback. We were pleased that so many of you commented about the personal style of the reports which showed how well the teachers know your children. Many parents commented about needing more information about how the effort grades were decided and consistency with these. We will ensure that next year parents are more fully informed about the levels set and exactly what they mean. Thank you for your feedback.

Amanda Pedder
Interim Headteacher

Call out for Parent Volunteers

Can you help?

As you all know the grounds and gardens we have at Loseley are one of the things that make our school feel very special and our Flourish project is really important in supporting our pupils with their emotional development.

We are trying to set up a large team of parents who would be happy to take on a small area to maintain on an ongoing basis (maybe alongside the children). It could be as small as a garden bed outside a classroom or larger if you have a particular love.

If you can help can you let Lucy Wright know and we will co-ordinate and divide up the area into small and manageable chunks!

Dates for your diary

Monday 10th September-Little Bear start, morning only

Monday 17th Sept-Little Bears start full time

Thursday 20th September-School Photographs

Thursday 27th September-Friends AGM

Friday 28th September-Pedals training (Y1)

Monday 1st October 3.30pm-5.30pm - Parents' Evening Y4 & 5
