

# PRINCIPLES OF PRESENTATION

At Loseley Fields we take pride in all that we do.

P

**Pens** are used for writing across our learning.

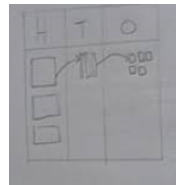

**Pencils** are used in maths. We make sure that they are sharp!

R

**Recording** our learning is important to show our thinking.

**Rubbing** out is not always needed. Our **jottings** are really important!

I

It is **important** to use neat **handwriting** that is joined when we know how.

D

**Dates** are used to show when we have been learning.

- A **short date** is used in maths or when our learning goes over into the next lesson.
- The **long date** is used at the start of literacy and wider curriculum learning.

E

**Editing** is an important part of our learning. We edit our work using **purple pen**.
