

Year 3 Book Club

Last half term Year 3 were set the challenge to read and review the story of 'The Man who walked between the Towers.'

Here are some of their thoughts about this story:

The story is about Philippe, a performer who wanted to walk between the towers because he thought it was a wonderful place to stretch a wire and balance high in the sky.

I really enjoyed this book, I give it a 5-star rating.

Why don't you give it a try!

I liked this story because it was true, scary and it was exciting. Philippe wanted to walk between the Towers on the wire
