e-Safety Rules

- We ask permission before using the internet
- We only visit websites and play games that an adult has chosen
- We immediately tell an adult if we see or hear anything we are uncomfortable with
- We only open or download messages, files, web addresses and e-mails sent from people that we know and trust and with an adult's permission
- We only communicate with people we know and immediately tell an adult if anyone new contacts us
- We are always polite and friendly when communicating online
- We gain permission before we access other people's files or data
- We always keep our personal information and passwords private
