

# Year 2 Summer 1 Home Learning Tasks

Literacy	Maths	Topic	Home Learning	Citizenship
<p>Write an acrostic poem about yourself using your name.</p> <p>For example</p> <p>Daring and brave Always kind and helpful Values his friends Is hard working and resilient Dreams of being a scientist.</p>	<p><b>Battle of the bands!</b> <b>Round two</b></p>  <p>Practise your x and ÷ to become a timestables rockstar.</p>	<p>Create your very own version of the famous Sutton Hoo Helmet using recycled materials.</p> <p><a href="https://www.yac-uk.org/activity/make-your-own-sutton-hoo-helmet">https://www.yac-uk.org/activity/make-your-own-sutton-hoo-helmet</a></p> 	<p><b>Get Active outdoors</b></p> <p>If the sun makes an appearance, make an assault course in the garden or local park and time yourself to see how quickly you can complete it.</p> <p>Could you include a range of equipment to demonstrate different skills?</p> <p>You could ask family members to do it with you.</p>	<p><b>Local Clean Up</b></p> <p>With an adult, explore the local community and collect any rubbish that you find. Make sure that you wear gloves while picking any litter up and let an adult know if you find any sharp objects so they can pick them up safely.</p> 
<p><b>Little Bird Spelling</b></p>  <p>Test your knowledge of the year 1 and 2 tricky words by playing this fun game.</p> <p><a href="https://ictgames.com/littleBirdSpelling/index.html">https://ictgames.com/littleBirdSpelling/index.html</a></p>	<p><b>Telling the time</b></p> <p>Make an analogue clock face using a paper plate and craft materials.</p>  <p>Ask a grown up to give you some times to make with it e.g. 1 O'clock, half past 3, quarter past 4 and quarter past 4 to 7.</p>	<p><b>Grow your own sunflower</b></p> <p>Be part of the <b>year 2 sunflower seed competition</b>. All you have to do is plant the seed and look after it. Each week, measure it to see how it is growing. Before half term we will compare sunflowers to see who has grown the tallest.</p> <p><b>Photos are a must!</b></p>	<p><b>Weaving</b></p> <p>Anglo-Saxons were skilled in making and crafting.</p> <p>Why not re-use unwanted plastic bags or papers and turn them into a piece of artwork?</p> 	<p><b>Make a bug hotel</b></p>  <p>Help attract insects into your garden, this will help the flowers to pollinate and provide food for local wildlife.</p>
<p>Make your own Anglo-Saxon word search using the following words:</p> <p>Anglo, Saxon, Invade, Village, Burial, Artefact, Helmet, Roman, Kingdom, Agriculture, Weaving, Farming, Settlement.</p>	<p><b>Double or Half?</b></p> <p>Play this brilliant game with someone. Who will reach their target number first?</p>  <p><a href="https://nrich.maths.org/10654">https://nrich.maths.org/10654</a></p>	<p><b>Science</b> <b>Nature Walk</b></p> <p>We have been learning about plants and seeds in Science. When you're out on a walk, try to find as many different types of seeds as you can. Remember: Blowing, eating, exploding, falling, floating, sticking.</p>	<p><b>Anglo-Saxon Cake</b></p> <p>Click on the link to make an authentic Anglo-Saxon cake.</p> <p><a href="#">Make your own Anglo Saxon Inspired Oat and Honey Cakes • The Sill</a></p>	<p><b>Random of acts of kindness</b></p> <p>Show the world how thoughtful you are by doing random acts of kindness.</p> <p>Think of your own ideas or use the poster.</p>
