

Home learning tasks- to be handed in on Friday 23rd May 2025.

Below is a grid containing a variety of short homework tasks. The children choose **at least 7** tasks to complete over the half term - **at least one per column**. Please remember to continue practising your weekly spelling and daily reading.

Literacy	Maths	Topic	Active	Citizenship
Suffixes: How many different words can you write ending with the following suffixes? ing, est, ly, ation, ment, ness 	Earth Day Maths Ask your adults about the Wombles and what they did. Try collecting some litter and sorting it like the Wombles. Make a tally chart to show how you sorted the litter - you could sort it by the material it is made from.	Investigate an animal of your choice which hibernates. You could make a power point, a poster or a booklet. 	Animal Movement Challenge Choose 5 animal movements to mimic. For example: Frog Jumps - Squat down and jump forward like a frog. Penguin Walk - Waddle side to side with arms by your sides. Snake Slither - Wiggle along the ground like a snake. Kangaroo Hops - Hop with both feet together. Bear Crawl - Walk on hands and feet with hips up.	Do a Good Deed Can you do a good deed for someone? Try to do something nice for someone without a reward. We call this intrinsic motivation. 
Catch It Watch the clip and then write the story. https://www.literacyshed.com/catchit.html 	Learn the next stage of your times tables. By the end of year 3 you need to know your 2, 5, 10, 3, 4 and 8's Use your times tables rock stars login. 	Create some spider-inspired artwork. Could you make 3D web? 	Cloud Spotting Go cloud spotting and try to identify the types of clouds you can see in the sky. Use the link to help you. https://www.childhoodbynature.com/starting-out-with-cloud-spotting/ 	Water Way To Stop Waste! Be a green champion and pledge to save water. Did you know: if a tap drips once every second per day, that works out at over 22 litres of wasted water!? Follow the link to find ways you can save water wastage. Tell us what you try to do. https://www.thinkh2onow.com/water-conservation-tips-kids.php
Charlotte's Web Can you create a fact file about pigs? There are lots of different types. What do they like to eat, where do they live, how many babies does a sow produce? 	Maths Measuring Look through the cupboards and find different food containers. Make a list of the amounts in kilograms or grams. Can you write them in order starting with the lowest?	Be an astronomer Choose an evening with a clear sky. If possible, stand outside or lie down and look at the night sky. Can you identify any planets or constellations? Can you spot Venus? https://earthsky.org/tonight/	Calling all chefs. This half term we are looking at the countries of France, Germany, The Netherlands, Belgium, Switzerland and Austria. Can you cook a dish from one of these countries for your family? Don't forget to send us a photo on Seesaw.	Recycling Can you find out where you can recycle things that can't go in your blue bin - e.g. plastic bags, crisp packets, small electricals, old clothes
